

Public Notice

Notice is hereby given that the South Alabama Regional Planning Commission (SARPC) will hold a public involvement meeting regarding the Intelligent Transportation Systems (ITS) Diversion Route Planning Study for Mobile County, Alabama. The purpose of this project is to identify routes and equipment used for diverting Interstate traffic around major incidents occurring along I-10, I-65, and I-165 in Mobile County. The results of the study will be used to supplement local law enforcement and emergency personnel's procedures in the event of a major incident along an Interstate route in Mobile County.

You are cordially invited to attend and participate in the public involvement meeting to be held Tuesday, March 15, 2011 from 5:00 to 7:00 PM in the SARPC Conference Room at the GM&O Building located at 110 Beauregard St., Mobile, Alabama, 36610.

The meeting will have an open house format and results of the Study, including selected diversion routes, will be available for public viewing. A copy of the Study will also be available for review. Representatives from the SARPC and its consulting firm, Volkert, Inc., will be available to answer questions during the meeting.

Interested parties may submit their comments in writing at the meeting or by mailing them by March 18, 2011 to:

Mr. David Webber, P.E.
Principal-In-Charge
Volkert, Inc.
3809 Moffett Rd.
Mobile, AL 36618

Comments may also be mailed to transp@volkert.com

For additional information, or for individuals requiring special assistance due to physical impairments or disability, please call 251-342-1070. Special assistance should be requested at least five (5) business days prior to the meeting.
