MEMORANDUM

TO: Section 5310 Applicants

FROM: Randy R. Stroup *Sonya Baker for RRS*
Acting Bureau Chief, Modal Programs

SUBJECT: Fiscal Year 2018 Section 5310 Grant Application (Statewide)

Enclosed is the annual statewide grant application for federal assistance provided through the Federal Transit Administration (FTA) for the Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program. The "Vehicle Inventory Form" is provided in the application in Word, but is also available electronically in Excel.

Please note that the one-year sit out rule will be in effect for FY-2018. Successful applicants in FY-2017 cannot apply for an ALDOT 5310 grant in FY-2018.

All projects funded through Section 5310 must be derived from a locally developed, coordinated public transit-human services transportation planning process. ALDOT has designated the 12 Regional Planning Councils to coordinate transportation services in their regions.

Please read the application in its entirety before starting to complete it. The "Operating Assistance Pilot Program" (for 16 counties) will be available for FY-2018 (see Section 2.1).

Immediate attention must be given to the public hearing requirements and authorizing resolution.

Completed grant applications must be submitted on or before 5:00 p.m. on July 6, 2017, to the appropriate Regional Planning Council (contact information is found in Appendix C) in the geographic area of the state where Section 5310 transportation services are proposed.

Technical assistance is available on an as needed basis. If you have any questions or need technical assistance with the application development process, please contact Wiley Brooks, at (334) 353-6417 or email him at brookswi@dot.state.al.us.
